HOW TO GET THE BEST PROTECTION WITH A FACE MASK

Clean your hands before touching the mask

Inspect the mask for damage or if dirty

Adjust the mask to your face without leaving gaps on the sides

Cover your mouth, nose, and chin

Avoid touching the mask

Clean your hands before removing the mask

Remove the mask by the straps behind the ears or head

Pull the mask away from your face

Store the mask in a clean plastic, resealable bag if it is not dirty or wet and you plan to re-use it

Remove the mask by the straps when taking it out of the bag

Wash the mask in soap or detergent, preferably with hot water, at least once a day

Clean your hands after removing the mask

WHEN SHOULD YOU WEAR A FACE MASK

In public settings such as stores, at work, social or mass gatherings

Living in cramped conditions or close quarters with family and friends

On public transport
