UDAAN

INTERNATIONAL LEADERSHIP CONFERENCE

Frequently Asked Questions (FAQs)

1. What is the criterion for double eligibility (Spouse/Co-applicant)?

You have to achieve double the required volume. No existing non eligible consultant can be nominated for the conference in your place. For your children and/or blood relation (those who are not consultants), Pay & Go option will be available. The cost will be announced once the eligibility period is over.

2. What will be the cost of the conference?

Cost of the conference will be announced at a later date.

3. If my valid title is Platinum in April 2019 and my Paid as Title (PAT) is Senior Director. What will be the base title for this program?

Base title will be considered as Senior Director and Personal Group Point Volume (PGPV) or a Personal Group Business Volume (PGBV) criterion that needs to be completed should be of a Senior Director. Also, only pure PGPV or PGBV of the month in which you maintain the base title will be considered.

4. In case my valid title is Crown Diamond Director (CDD), but in April 2019 my PAT is Senior Executive Director (SED). Am I eligible?

Yes you can. Base title will be considered as SED and PGPV or a PGBV criterion that needs to be completed should be of a SED. Also, only pure PGPV or PGBV of the month in which you maintain your base title will be considered.

5. Are the PGPV/PGBV criteria pure or roll-up will be considered?

Only pure PGPV/PGBV will be considered. Pure PGPV/PGBV does not include PGPV/PGBV of Non Eligible Directors.

6. What if the entire required total PGPV/PGBV is completed in one month? Will it be considered?

Yes.

7. If my base title is SED but during the eligibility period I jump to Platinum Director, what will be the pure PGPV/PGBV requirement?

Total pure PGPV/PGBV required will be basis April 2019 PAT which is SED. However, if you do the minimum monthly pure PGPV/PGBV as PAT Platinum, the same will be counted in the total required pure PGPV/PGBV.

8. If my base title is SED but during the qualification period I jump to Platinum Director, what will be the total pure PGBV requirement?

Total pure PGPV/PGBV requirement will be basis April 2019 PAT which is SED.

9. Can I be eligible for both the Domestic and International Leadership conferences?

Yes you can. However the months of eligibility for each conference cannot be the same.

For Example: You use June '19 to Sept '19 to be eligible for the Domestic Leadership Conference and Oct '19 to Dec '19 for the International Leadership Conference

Shield of Protection Anytime. Anywhere.

From our WiFi routers, laptops to Smart TVs, our daily lives revolve around using wireless communication technology. Add the radiations from nearby mobile towers and the high tension wire lines or even the servers

in our offices; we are constantly exposed to Electro Magnetic Fields (EMFs). EMFs emitted by various sources at the same time & at a given place form Electromog.

Did you know?

EMFs can affect your body's nervous system function and cause damage to cells.

Short Term and Long Term Effects

 IRRITATION & HEADACHES	 SLEEP DISORDER & MEMORY LOSS	 BRAIN TUMOUR & CANCER	 RISK TO CHILD DEVELOPMENT	 INCREASED HEART RISK	 LOWERED SPERM COUNT

Modicare Enviroglobe helps purify radiation from

Advantages of Modicare EnviroGlobe

- We are surrounded by Electrosog 24x7, which increases stress levels and affects health. EnviroGlobe protects us from this harmful Electrosog
- When placed in any household or office area, it neutralizes the harmful impact of Electromagnetic Radiation emitted from the all the wi-fi devices, boosters, Mobile Towers etc. around it
- EnviroGlobe helps to protect an area of approx. 300-350 sq. ft. from the ill-effects of electromagnetic radiations. It changes the harmful nature of radiation without altering the signal strength and quality
- Helps in reducing the stress in the human body caused due to exposure to EMFs and Electrosog over a period of time

Testing & certifications :

Tested on more than 1000 people and it has been proved that after having EnviroGlobe installed, pulse rate reduced by 4-7 percent in those who have a high pulse rate (> 82). Lower pulse rate indicates lower stress and better health.
